

Installer Briefing: Key Updates

FEOC Compliant PV Modules Now In Stock:

We're excited to announce that **FEOC-compliant** solar panels are now available and in stock nationwide from leading manufacturers, including Hyundai Energy Solutions, Elexus, Seraphim, and Peimar. Contact your local RAM for current pricing and availability. RAM contact information can be found [HERE](#)

Domestic Content Visibility on [Soligent-Connect](#):

To make sourcing easier and more transparent, we've enhanced Soligent-Connect with improved Domestic Content visibility, including a new Domestic Content badge on applicable products and a dedicated filter that allows installers to quickly find Domestic Content-flagged items. (See Example Below)

Regional Market Watch

Lawmakers in New Jersey are moving to codify a [100% clean electricity standard by 2035](#), reinforcing long-term demand for clean energy generation statewide. While it doesn't directly mandate rooftop solar, the policy sends a strong market signal that supports continued growth for residential solar and solar-plus-storage.

Nevada launches [new solar incentive program](#) to keep installations affordable post-tax-credit

ICYMI
